## Declaration and Power of Attorney

As the below-named inventor, I hereby declare that:

My citizenship, residence and mailing address are provided on the Application Data Sheet filed with this application.

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention identified by DeMont & Breyer's Attorney Docket as **9771-005US**, Serial No. **10/595993**, Filed on **24 May 2006**.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by an amendment, if any, specifically referred to in this declaration.

I hereby state that I have reviewed and understand the contents of the above-identified specification and that it discloses the best mode of practicing the invention as I believe it to be.

I acknowledge the duty to disclose all information known to me which is material to patentability as defined in Title 37, Code of Federal Regulations, 1.56.

I hereby appoint the practitioners associated with **Customer Number 22897** as my attorneys and agents to prosecute the application identified above, and to transact all business in the United States Patent and Trademark Office connected therewith.

All communications are to be directed to the address associated with the **Customer Number** listed on the Application Data Sheet filed with this application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
